Math Riddle!!

TEACHER: "What's $2n$ plus $2n$?"

STUDENT: "I don't know, it's $4n$ to me!"

Answer to April Riddle:

What geometric figure is like a lost parrot?

A Polygon

Our Spring Symphony Benchmarks have been completed and Pagels and Haley students have much to celebrate. Below are pictures of some of the students who made some of the most progress from fall to spring.
